

Young Adult Workforce Development Program

## Pre-Employment Transition Services for Students

Pre-Employment Transition Services (Pre-ETS) are services which promote successful transitions for students and their families between high school to work and adult life. Students who participate in services are given many opportunities to explore work and other “adult-ing” situations in encouraging environments.

### The five Pre-ETS services are:

Job Exploration Counseling	Work-Based Learning Experiences	Counseling on Post- Secondary Education	Workplace Readiness Training	Instruction in Self- Advocacy
-------------------------------	------------------------------------	--	---------------------------------	----------------------------------

---

**In response to social distancing and school closures due to the COVID-19 outbreak, CDCI would like to offer FREE web-based pre-employment services to students.**

Starting the week of Monday, March 23<sup>rd</sup>, CDCI will be offering Pre-ETS workshops throughout the day using Facebook Live, Google Hangouts, conference calls and other resources to engage students.

---

**CDCI will be hosting two orientation sessions this Friday on our Facebook page for anyone who is interested in finding out more.**

Friday, March 20

Presentation: 2 pm – 2:30 pm

Q & A after

Monday, March 23

Presentation: 10 am – 10:30 am

Q & A after

**To RSVP, please click the link below, complete form and select which time you will attend.**
